The Church Of The Vine is self-supporting. Our day to day expenses, including building, staff, supplies and services needed to operate come from the tithes and offerings of those who make this their church home. In addition we give at least 10% of our income to missionary work. Consider joining our leaders and many others in our church who tithe and give toward the ministry and mission of this church. You will be joining a great cause and you will be blessed in the process

Loving God, Loving Each Other & Serving The World

What's Higher Ground (S)

Doc Kimble talks about "Higher Ground(s)" Coffee House

JEREMIAH 29:11-14

For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future. 12 - Then you will call upon me and come and pray to me, and I will listen to you. 13 - You will seek me and find me when you seek me with all your heart. 14 - I will be found by you," declares the LORD, "and will bring you back from captivity."

The Lord is doing a new and fantastic thing with this church. He has brought us out of darkness, and into His marvelous light!!

HIGHER GROUND(S) is just one vehicle of many to come that will assist The Vine into a wonderful new future. I believe the Lord not only wants to bless this local

body of believers but, the community, the state of Arizona, the United States and the world with His direction, love and gospel!! **Acts 1:8 - But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth."**

Since the Holy Spirit lives in each of us, I believe He will give us new and creative ways to reach our community. This is one of those ways. HIGHER GROUND(S) will allow us to have fellowship among ourselves, develop friendships, relationships and an inner strength and trust for each other, and gives us a tremendous platform for evangelism. It gives us an event that we can invite others to that may not want to attend a church service. Oh, but they will...They certainly will, after experiencing the presence of the Lord in our midst and the goodness of God's people.

It is our goal (The Music Team & Dimensions Small Group) to develop music and fellowship in the church in new and exciting ways. I mean, think about it. Coffee is the number one beverage in the world. Food, like I even have to explain that one. Fellowship is the enjoyment of each other's company. Music soothes the savage beast and Lord knows, in these times, we can all use some soothing!!

What a great forum to invite your friends and neighbors to the "Coffee Shop". No strings attached. We are just going to sit, drink coffee, snack on a donut, yak a while and listen to some local artists play their music. Why give all our money to Starbucks? This is not only free but, helps our church develop and grow and will quite possibly give us vision in so many areas for future sake. **The Lord is moving. I believe we all want to be a part of His glory.** Please understand this is not an end in itself but, is just one opportunity of many to come that will allow us to make a difference in His kingdom.

Matthew 6:33 - But seek first his kingdom and his righteousness, and all these things will be given to you as well.

The Women's Ministry would like to thank all who participated in the Chili Cook Off last Sunday. We truly had a warm 'family' dinner with many members of the family participating (including children, teens and young adults). Time and talent gifts were used in cooking, serving, decorating, cleaning and last but not least eating and enjoying the feast.
